

Steilacoom

14 May, 1850

Sir

Capt Brochee informs
that you have detained a
package that he had
made up for me together
with one for Mrs Tolmie.
It was not the wish of Mr
Borr to act in any illib-
eral manner in regard
to the personal property
of the Officers of the Alliance

and I have to request that
you allow these articles
to be landed -

Respectfully
Yours truly
J. B. McCall
Capt &

To Mr. Hurrey
